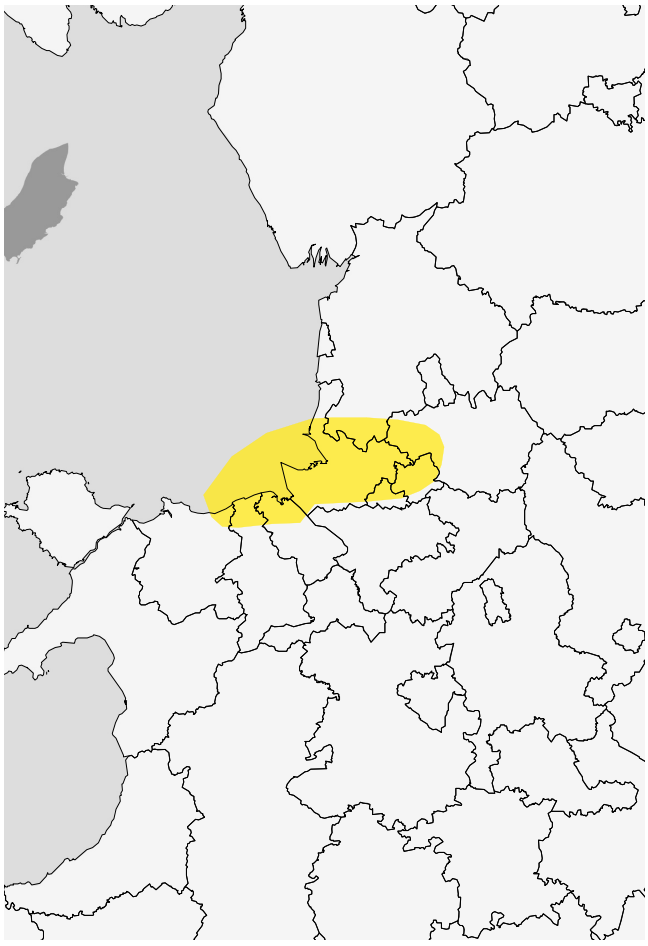
10:00 Sun 7 Jul 2024



Slow-moving heavy showers may cause some travel disruption and flooding on Sunday morning

What to expect

- Spray and flooding on roads probably making journey times longer
- Bus and train services probably affected with journey times taking longer
- Flooding of a few homes and businesses is possible

Further details

A band of slow-moving heavy showers is expected to feed inland across The Wirral, Merseyside and western parts of Greater Manchester during Sunday morning. Whilst some places will only see some rain, a few places may see 30-40 mm in 2-3 hours.

What should I do?

Give yourself the best chance of avoiding delays by checking road conditions if driving, or bus and
train timetables, amending your travel plans if necessary.
